

You have provided a

Gift of Hope

for someone in need

Bibles for believers in Asia

An Indonesian Christian may be the only believer in a Muslim neighbourhood. Your gift of a Bible can be read in private, or in study groups led by local church planters.

In China, Bibles can be hard to find as the government attempts to deny the basic human right to worship God. As China hosts the Olympic Games, this is a great time to get God's Word in people's hands.
