

You have provided a  
**Gift of Hope**  
for someone in need

### Medicines for family, Africa

Each year in Africa, millions of children die before their 5th birthday. Many deaths are from preventable diseases, which often go untreated in rural areas.

Your gift will help a doctor working with a local partner in Liberia, Senegal or Sudan get the right medicine to a family.

Dear \_\_\_\_\_

The gift on the left has been given  
in your honour through WorldShare

by \_\_\_\_\_

*May this gift bring you joy  
as it brings God's hope and freedom  
to someone in need.*
