Medicines for clinic, D.R. Congo

Each year in Africa, millions of children die before their 5th birthday (4.5 million in 2007). Many deaths are from preventable diseases, which often go untreated in rural areas because of lack of healthcare.

Your gift stocks a rural medical clinic in war-torn eastern Congo with basic medicines.

WorldShare is a global ministry that brings people into partnership with local Christian ministries to advance the Kingdom of God in the world's difficult places.
