You have provided a  
**Gift of Hope**  
for someone in need

### Water well for India

Drawn from shallow wells, ground water in West Bengal is contaminated by arsenic. Families now depend on other water sources which are often just as dirty.

Your gift drills a deep tube well, supplying up to 25 families and touching a whole village with God's love.

Dear \_\_\_\_\_

The gift on the left has been given  
in your honour through WorldShare

by \_\_\_\_\_

*May this gift bring you joy  
as it brings God's hope and freedom  
to someone in need.*
