You have provided a  
**Gift of Hope**  
for someone in need

### Medical help for scavenger family

Of every 1000 children born in Guatemala,  
44 die before their 5th birthday.  
Children living on Guatemala City refuse dump  
are especially prone to easily-treatable,  
but potentially deadly, respiratory infections  
and diarrhoea. Your gift of medical help for a  
family may save a child's life.
