

You have provided a
Gift of Hope
for someone in need

Milk for baby of HIV+ mother 2 cans

Despite work to prevent transmission, infants of mothers with AIDS in eastern Congo risk becoming HIV+ through breast-feeding. Your gift of two cans of replacement milk for infants will help to reduce the risk.

Dear _____

The gift on the left has been given
in your honour through WorldShare

by _____

*May this gift bring you joy
as it brings God's hope and freedom
to someone in need.*
