Milk for baby of HIV+ mother
2 cans

Despite work to prevent transmission, infants of mothers with AIDS in eastern Congo risk becoming HIV+ through breast-feeding. Your gift of 6 months supply of replacement milk for infants—supplied in cans—will be sufficient to save a child's life.

Dear _____

The gift on the left has been given
in your honour through WorldShare

by _____

*May this gift bring you joy
as it brings God's hope and freedom
to someone in need.*
