Mosquito nets & follow-up, Congo

Malaria brings added misery in places suffering poverty or strife. In war-torn eastern Congo, your gift provides mosquito nets for a local family, together with a follow-up visit to ensure they are being used correctly to protect against malaria-bearing mosquitoes.

Dear _____

The gift on the left has been given
in your honour through WorldShare

by _____

*May this gift bring you joy
as it brings God's hope and freedom
to someone in need.*
